Skilled in building Power BI dashboards to track sales, returns, and inventory KPIs, supporting finance and operations teams with accurate, actionable insights.

TECHNICAL SKILLS

Analytics	Excel, Power BI, Tableau, Google Analytics
Programming	SQL, Python, R, JMP, VBA
Techniques	eCommerce Operations Analytics, Data Cleansing & Migration, Requirements Gathering, Statistical Analysis.
Focus Area	Order Management, Sales Operations, Inventory Tracking, Refunds & Returns, Operational Reporting.
PM Tools	Monday.com, Jira, Hive, Asana, Microsoft Office Suite

PROFESSIONAL EXPERIENCE

Analyst (Financial & Business Operations) | Venti Air Products | Rosenberg, TX **Aug 2025 - Present**

- Analyzed SKU-level and order lifecycle data for ~500 weekly eCommerce orders across Amazon, Walmart, and Home Depot, supporting fulfilment, refunds, returns, and inventory reconciliation.
- Built Power BI dashboards tracking sales, refunds, inventory KPIs, enabling margin analysis and operations decisions.
- Improved data accuracy and reconciliation across eCommerce reporting workflows, supporting month-end close, variance analysis, and profitability insights including shipping cost impact.

Business Analyst | Amnex Technologies Private. Ltd. | India **Jan 2023 - June 2023**

- Produced operational reports and documentation supporting project tracking, delivery timelines, & stakeholder communication.
- Maintained status dashboards and progress reports to ensure on-time execution across cross-functional teams.
- Supported data tracking and reporting activities improving visibility into project performance and delivery risks.

Associate Business Analyst | Krish Compusoft Services | India **Jan 2020 - April 2022**

- Documented requirements and workflows, improving coordination between business and technical teams across projects.
- Supported compliance reporting and quality documentation for multiple initiatives across diverse client engagements.
- Reduced requirement gaps by improving communication flow between stakeholders, analysts, and development teams.

Junior Business Analyst | Space-Ø Technologies | India **Aug 2018 - Jan 2020**

- Conducted client and project data analysis to support technology implementation and transformation initiatives.
- Analyzed client data to support technology implementations and business transformation initiatives across projects.
- Presented data-driven solutions and wireframes to Design/QA, reducing requirement gaps and improving project efficiency.

PROJECTS

HR Analytics (Power BI) [GitHub](#)

- Designed an interactive Power BI dashboard tracking attrition, satisfaction, and hiring KPIs for workforce planning.
- Automated data refresh and validation using SQL queries, ensuring real-time accuracy and reducing manual HR reporting effort by 40%.

Netflix Viewer Trends (Tableau) [GitHub](#)

- Visualized engagement trends and diagnosed key friction points in user streaming behaviour, providing crucial data that significantly improved product strategy for user retention.

Water Potability Classification (Python and Data Mining) [GitHub](#)

- Achieved 90% model accuracy in predicting potable vs. non-potable water samples, improving reliability of public safety data classification.
- Applied machine learning classification techniques using Python to predict outcomes and evaluate model performance metrics.

E-commerce Analytics Dashboard (Tableau) [GitHub](#)

- Built a Tableau dashboard to analyze 34K transactions, identifying key profitability leaks where shipping costs exceeded margins.
- Visualized Executive and Logistics KPIs, pinpointing delivery bottlenecks and optimizing shipping-to-profit ratios across 4 regions.

Bookshop Database Management (MySQL) [GitHub](#)

- Reduced manual errors by 20% by designing a centralized DBMS to automate workflows and streamline bookstore operations.
- Developed a robust DBMS on SQL Server to streamline workflows and enhance operational efficiency.

EDUCATION

University of Houston – Downtown - GPA: 3.83/4.0 **Aug 2023 - May 2025**

Master of Science in Data Analytics (MSDA) Houston, TX, USA

Symbiosis International University **June 2016 - May 2018**

Master of Business Administration in Information Technology – MBA in IT Pune, India

Gujarat University **July 2013 - May 2016**

Bachelor of Computer Applications (BCA) Ahmedabad, India
